Vice-Chancellor's Message...

Dravidian University, the brain child of Late Sri Nandamuri Taraka Rama Rao Garu, former Chief Minister of Andhra Pradesh, legendary film artist, humanist and visionary was established in 1997 with a view to develop Dravidian Languages. His imagination, initiative and foresight was amply reflected in establishing the University in Kuppam, a confluence of three States – Andhra Pradesh, Karnataka and Tamil Nadu and he succeeded in involving the neighbouring states Kerala and Puducherry in the noble cause of unearthing hidden treasures of Dravidian languages, Folklore, Tribal Studies, History, Archaeology, Literature and Philosophy through teaching and research.

Expanding its operation into the areas of science and technology, this University has been serving the cause of higher education in this backward region with the support and cooperation of the participating State Governments.

My illustrious predecessors have contributed significantly for the growth of this University.

It is my endeavour to strive hard not only to continue the legacy of earlier Vice-Chancellors but also explore every possibility to take this institution forward to the newer domains and higher realms of recognition and excellence among the Universities in India and abroad.

I look forward to unstinted support from every one involved in this great journey.

(Prof. Sudhakar YEDLA)
