

## About the University

The Dravidian University was established by the Government of Andhra Pradesh through a Legislature Act (No.17 of 1997) at Kuppam, a tri-lingual junction in the south-western part of Andhra Pradesh with the initial support extended by the governments of Tamil Nadu, Karnataka and Kerala. In contrast to its counterparts in the State, the University focuses on conducting very high level advanced research in the areas of Dravidian Culture, History, Archeology, Literature and Philosophy in a comparative and holistic approach with the objective of realizing the true spirit of national integration, to be a unique Centre of Excellence. It started with modern perspective by establishing two full pledged departments namely the Department of Comparative Dravidian Literature and Philosophy and the Department of Computer Science in 1999 and now has grown to 26 Departments and Centres encompassing most walks of Knowledge.

## About the Department

Established in 1999 with 100% assistance of the Govt. of Andhra Pradesh. The Department of Computer Science has dedicated and well qualified faculty, technical staff and students, equipped with state of the art computing machinery, is very popular through formal education and research. It runs MCA and MSc(Computer Science) PG Programmes under choice-based credit system; M.Phil. and Ph.D. as Regular Research Programmes. It also assists the other sister Departments in their Teaching and Research Programmes.

## About the Workshop

The current system of education is focused on *Outcomes* useful in a wide spectrum of activities. The advances in computing, communications and broadcasting technologies compel Higher Education to extend flexible (*any time, any place and any pace*) learning opportunities to students. Integration of technologies with teaching-learning and designing of new learning modalities support diverse needs of students. e-Learning technologies like MOC (massive open online course) and Moodle (Modular Object-Oriented Dynamic Learning Environment), enable teachers to engage students in active, collaborative and social learning process. This 3-Day Workshop for Participants from diverse disciplines/fields of study involves them into hands-on practical activities on Moodle and EdTech Tools. *Only Faculty Members and Research Scholars from Educational Institutes are permitted to register for this Workshop. The last date for registration by e-mail is 3-Feb-2017. Participants shall produce Relief Letter from their Institutions to attend this Workshop. They may use their personal laptops if available and report by 8 AM 6/2/17 at Kuppam.*

## Workshop Outcomes

Through this Workshop, participants would be able to:

- gain an understanding of Moodle functionality,
- use EdTech Tools for creating content videos,
- create and manage educational content on Moodle,
- explore Moodle communication and messaging functionality,
- create online learning activities and assessment tasks (assignment/quiz/exam), and
- Quantitatively track learning process and grade students' performance online.

## How to Reach

The University is located at Kuppam which is about 70 KM from Palamaneru, Andhra Pradesh, (about 37 km from Krishnagiri, Tamil Nadu; about 29 KM from Kolar Gold Fields, Karnataka).
