Health Awareness camp held at Dravidian University
On 12.11.2019

Health awareness event was organised by NSS team, at Dravidian University campus in association with P.E.S Hospital for a healthy society. Prof. G.Lokanadha Reddy, Vice-Chancellor *(FAC)* of Dravidian University inaugurated the event and on this occasion, he reminded that lack of awareness relating to health is the main reason for ill health of many people at kuppam. Pollution that is spreading through the world   and mental stress due to various reasons are responsible for health related problems, he said. He also reminded the necessity to organise health camps in various villages of kuppam and announced that   Mega Medical Camp would be organised in the campus very soon.

During this camp, nearly 220 staff, students and local people were benefitted through checkups and 60 were recommended for further medical tests at P.E.S. hospital, as informed by NSS coordinator Dr. S.Chinna reddaiah. Team of Doctors from P.E.S. hospital, from Departments of General medicine, orthopaedics and Dental lead the medical camp, Dr. Sheedhar, Dr. Praveen and Dr.Sudeep led the Medical camp.

Registrar Prof. Anuradha, Director DDE. Dr. Venu gopal reddy, Prof. Sathya vaani, Prof. Sharadha, NSS P.O's, Dr. Keshava murthy,Dr. Palani etc. participated in the programme.
